

Packaged merchandise, visible and secure.

- › Package Wrap allows for easy customer interaction with merchandise
- › Alarm unit on top of package allows better visibility of package graphics and information
- › Allows open display of merchandise while providing robust security
- › Designed for shelved merchandise and peg hooks
- › 90 dB alarm
- › EAS tower alarms (AM and RF)
- › Part of InVue's OneKEY Ecosystem™

Package Wrap

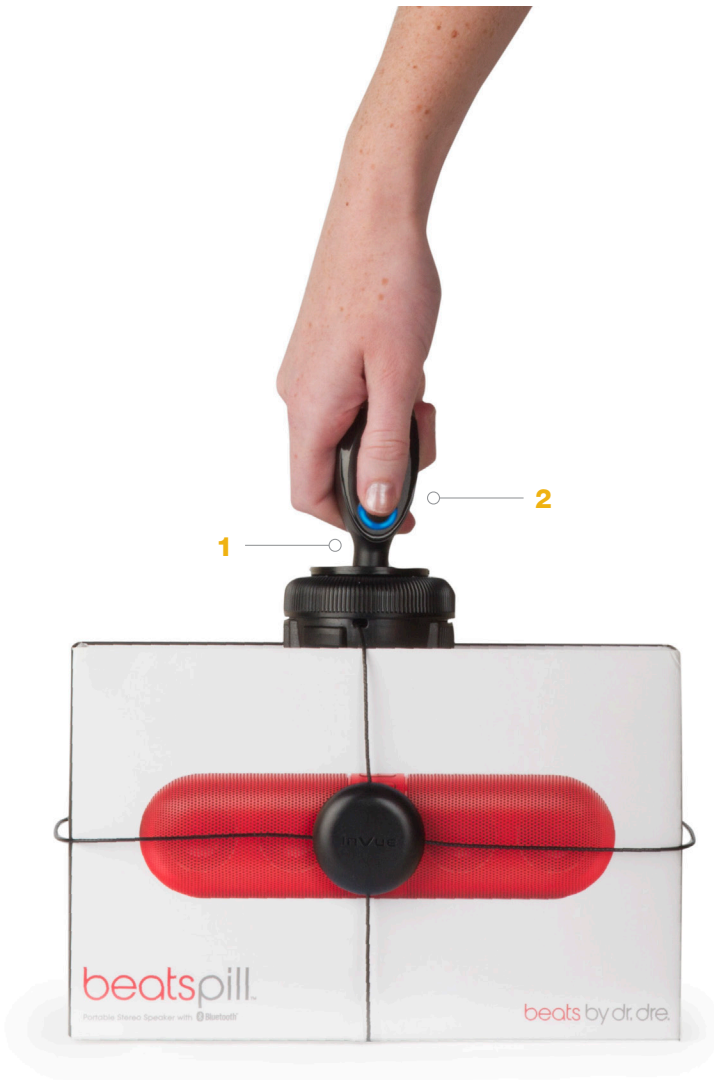

FEATURES AND BENEFITS

- 1 Alarm unit on top of package enables better shelf stacking and does not obstruct package graphics and information
- 2 Cable connectors allow efficient cable management
- 3 Reinforced integrated hang tag cannot be removed making it highly secure when combined with InVue Secure Fixtures
- 4 Easy grip design enables efficient cable retraction

FEATURES AND BENEFITS (continued)

- 1 OneKEY™ compatibility for fast access to merchandise to better serve the consumer
- 2 OneKEY times out after 12 hours, making a lost or stolen key useless
- 3 LED blinks red, indicating active status
- 4 90dB alarm if cable is cut
- 5 Cable can be wound with key fob

A storewide single key solution to increase profits.

OneKEY[™]
ecosystem

Package Wrap is part of the exclusive InVue OneKEY ecosystem[™], a storewide single key solution that improves customer service, increases sales and provides high theft protection.
